

Help Shriner's Hospitals for Children Help the Kids!

Shriner's Hospitals for Children is a pediatric health care system of 22 hospitals in North America. The specialty care includes: orthopedic conditions, burns, spinal cord injuries, and cleft lip and palate. All care and services are provided regardless of the patient's ability to pay.

How are children eligible for care?

- the child must be under 18 years of age
- the child's condition can be improved with specialty care provided by the Shriners Hospitals
- eligibility is NOT dependent on financial need

ALL proceeds from the **Love to the Rescue Fundraising Silent Auction** are for the benefit of Shriner's Hospitals for Children, a 501(c)3 nonprofit charity.

THANK YOU FOR DONATING A SILENT AUCTION PRIZE OR CASH DONATION TO BENEFIT CHILDREN ATTENDING THE SHRINER'S HOSPITALS FOR CHILDREN!
